When I was together with my friend coming from school to work,
but I immediately avoided peeking by looking down.
I was almost at an angle to take a quick glance at her bra,
yo-!
*sudden
Isn't that admirable!?
It's not admirable.
What?
Seriously
This girl,
Generally between girls,
they don't get mad if you take a look.
...

You have to be gentle with girls right?

what do you think Sakurai-san?

Anyway,
I thought over our talk earlier, you're wearing a high school uniform,
so it's unlikely that you could get a glance of her bra.
Huh?
KARI NEKO
This...
can come off.
Ah.

Look!
This is how much gals usually take off.
Classy?
So.

Hey!

KARI NEKO
She's too easy to read.

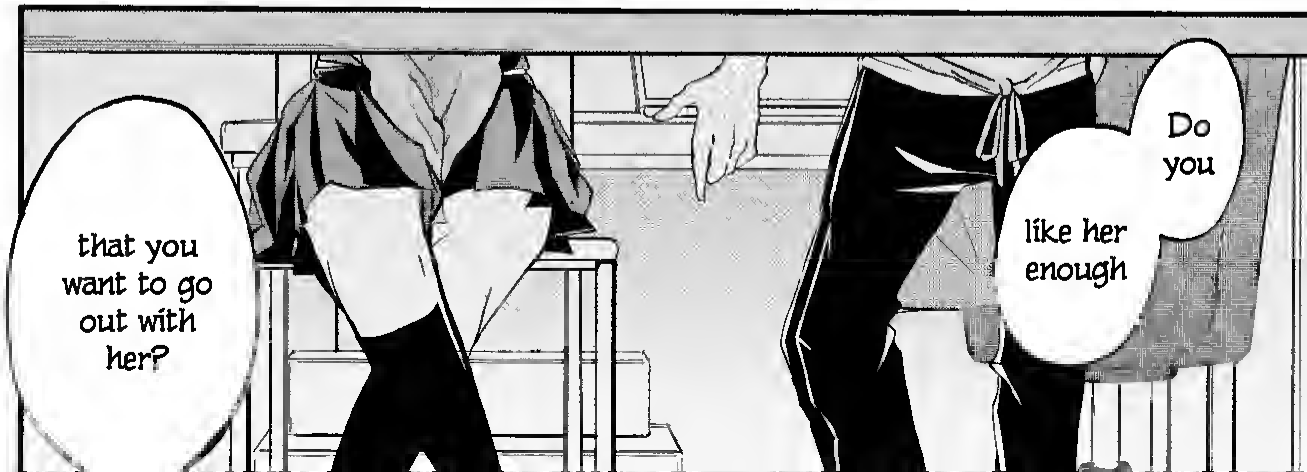
KARI NEKO
Why did you come here Sakurai-san?
A fountain pen ran out of ink, so I came to grab one that works.

Well, this one looks fine.
I wonder if I can borrow one from the boss's desk.
Is she going to get angry if I use the frog one?
It's fine if you take any except the frog pen
...
However,

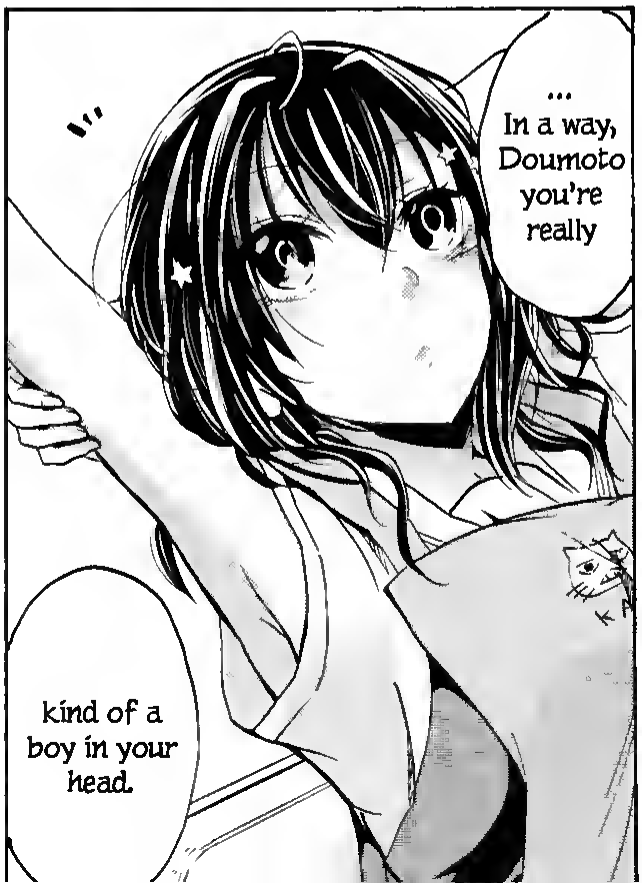
Doumoto you really seem to like Ryouko-san.
Yes, I like her very much!!



Do you like her enough that you want to go out with her?

...
I don't think so.

Because I think there's no way the cute girls I like would accept me as a partner!!
YOU KNOW!?
Ah, because of that?



...
In a way, Doumoto you're really
kind of a boy in your head.

I already knew this would happen.
I totally get that.
The girls I like already have nice boyfriends.
はぁ〜
*haa

You're such a virgin.
Well, I never had any experience with another girl.

KARI NEKO
